Following is a summary of a half-hour radio program broadcast in Jarai dialect by the Voice of Vietnam, Hanoi, DRV, to the mountain people of the South Vietnam Highlands, at 01:45 GMT on 4 February 1956, 15020, 9465, 7855, 7425, 7410, 6098, and 1205 kes:

1. Ngo Dinh Diem has told the compatriots of the highlands that he is working for the independence of the country and that he will treat the highlander compatriots on the same basis as the Vietnamese. But can Ngo Dinh Diem keep his promises? Here we only realize that Ngo Dinh Diem is trying to sell the country to the Americans.
2. (Music in honor of President Ho Chi Minh.)
3. The Government of the South has slanderously said that we invite the Russian and Chinese Communists into our country to make it a Communist country. This is wrong. Compatriots of the highlands, do not listen to the South. In reality we only invite the Chinese technicians to come to help us in the domains where we have no technicians. The Government of the South is trying to hide its maneuvers. Ngo Dinh Diem has called for separate elections for a national constituent assembly on Mar. 4 and pretends that this assembly will be a people's assembly. Our compatriots must realize that Ngo Dinh Diem always seeks to reject the Geneva Accords, and especially the clauses on the elections of July 1956.
4. Music.
5. Announcement: Broadcast in Gia Ray language by the Hanoi radio, Saturday at 8:45 a.m. Next Sunday a special broadcast will be on the air at 4:15 p.m.
